

CODE OF ETHICS FOR COACHES

COACH:

- Exhibit exemplary behavior at both practices and games. Be a role model for your players and parents.
- Know and abide by the rules of the game. Teach the rules to your players and other parents.
- Always treat the referee with respect.
- Coach talented and non-talented players with equal vigor and enthusiasm.
- Stress good sportsmanship. Be an example to your team.
- Discourage negative remarks and harassment of referees and players among spectators.
- Again, stress good sportsmanship. Playing hard is more important than winning.
- Welcome feedback from players and parents concerning potential problems and ways to improve.

The following are causes for a red card and coach's ejection from the game, but not limited to that game:

- Abusive language to an official, player, coach, or spectator, or Aggressive physical contact with a referee or other players, including bumping, poking, kicking, or striking, or Using or being under the influence of drugs or alcohol during a game, or Failure to control spectators' or parents' unruly behavior after notification by the referee. Two cautions (yellow cards)
- Pending the application of a red card, the Ashwaubenon Soccer Board will review the incident and has the authority to implement further suspensions or expulsions.
- Penalties assessed that are longer than the remaining season will be carried over to the next season.

I have read the Ashwaubenon Youth Soccer CODE OF ETHICS and the Ashwaubenon Youth Soccer website. I agree to abide by all the CODE OF ETHICS FOR COACHES. I have returned this form to the Ashwaubenon Youth Soccer Board – Coach Coordinator before my first scheduled game.

Coach's Name (Printed): _____ Signature: _____

Date: _____ Age Group: _____
